Juggling - Motion in stillness.

WWW Water Words World.

We created and shot this series, portrayal the human body shaped along with clear glass sphere balls filled with water, joined together like music notes, fonts that merges into words, sentences, ideas, unseen unites and still elements that create fascinating streams of forms. It is the stillness of the unseen

singularity the origin of everything, emerges as a poetry of all forms and creation.

Visual poetry like words, a clarity sensation of pure black shadow on a white background like notes letters and symbols.

Water is dancing inside the glass balls reflecting our inner motion the emotion and thoughts, the ever-changing identities. Water is moving inside the glass balls reflecting our own

human body, with 80% water,

We are water. we are waves of words a wide web of wonders in a world, where the wind shifts the stillness that becomes a temporary ever-evolving forms.timeless identity.
